Helping the Co-op share the news!

Morell & Area Development Corporation launched two exciting new initiatives this summer!

In June, MADC volunteers began presenting **Welcome Gift Bags** to permanent residents who moved to Morell & Area since mid-May 2019. Five households have been visited thus far and a number of new arrivals, who have moved into the region since, will be visited in the weeks ahead. If you, or someone you know, has moved here *from outside our region since mid-May 2019*, please contact us at morell.area.dev.corp@gmail.com for more information.

More recently, MADC launched its first "Regional Brochure" and did a mass mailing to all households in Morell & Area. This brochure is a first step in our effort to highlight, promote, celebrate and support businesses, services, organizations and resources within our region to visitors, residents and future residents. We invite your feedback on this first effort so that we can improve for future editions.

Please consult our **Facebook page** for a complete list of all our current **partners and advertisers**. We thank them all for making these programs possible and we welcome any new contributions to our Welcome Gift Bag program!
