Helping the Co-op share the news!

North Shore Funeral Home

As our motto says, we are "Neighbours Helping Neighbours". North Shore Funeral Home is proud to serve families in their time of need in Morell, St. Peter's, Cardigan, St. George's, Georgetown, St. Teresa's and all surrounding areas. We work closely with families so that they can honour their loved ones in ways they choose. Now that public health restrictions have been lifted, we are able to once again have public visitations, open church services and celebrations of life. If you would like to make funeral pre-arrangements for yourself or a loved one, we would be pleased to meet with you.

Board of Directors Report

On behalf of the Board of Directors I sincerely thank everyone for their continued support of our store over the past year. It is this support that keeps your COOP store vibrant, growing, and contributes to making our community such a great place to live.

Summer is finally here, and Greg and his great staff look forward to meeting your shopping needs. If you are not a COOP member we encourage you to join; it's a pretty cheap investment and the rewards are many. Our little country store is a major contributor to many local charities and events. Have a great and safe summer everyone.

Garry Doyle, Morell Consumers CO-OP
Board President

"I have only to break into the tightness of a strawberry, and I see summer – its dust and lowering skies."
-Toni Morrison
