As of the May 20th, 2023 meeting of NCI - Infrastructure, there was a recommendation presented as to who to award the Phase 3 Rink Project to. It was agreed by their board that the project be awarded to APM MacLean Construction, as seen below in an excerpt from their meeting's minutes.

1. Review of the Coles Recommendations

Morell Community Rink Phase 3 bid results and recommendation for award were reviewed and discussed. The municipality's existing commitment with the Coles Contract is \$72,500, while the quote for the APM-MacLean construction Contract amounts to \$748,000. Available funding is \$813,043, which leaves a shortfall of \$7,457 in addition to any unforeseen expenses that might come up during construction. These could be covered from funds raised through Chase the Ace. All in attendance agreed to proceed with Cole's recommendation.

The Council of the Rural Municipality of Morell agrees to the decision of NCI - Infrastructure to award the project to APM MacLean Construction.
