Re: Renewal of Sponsorship

The Morell Community Rink is a pillar of the community as it offers minor hockey for boys and girls, free public skates, and adult recreational leagues. The rink is a non-profit organization, so it relies on the generous support of businesses, such as yourself, in order to guarantee the upkeep of the building so that the teams and families can continue to enjoy the sport of hockey and ice skating.

Since it is the hub of this community, as well as the St. Peter's, Mount Stewart, and surrounding areas, we are determined to continue to make facility improvements for years to come.

On behalf of staff, volunteers, and those who utilize the Morell Community Rink, we value and thank you for your support which does not go unnoticed.

As the 2022/2023 season commences, we look forward to your continuous support. The Sign Sponsorship rental fee remains the same.

Please find attached an invoice for your convenience.

On behalf of myself, I would like to say "Thank you" because it is businesses like yours that make this all possible.

Sincerely,

Diane Burland
Off-Ice Operations Coordinator
