## KING CHARLES III CORONATION MEDAL PRESENTATION

On February 7, 2025, Senator Jane MacAdam presented King Charles III Coronation Medals to individuals who made a significant contribution to our country, province or community, or whose outstanding achievements abroad brought credit to Canada. Among those individuals were four volunteers from Morell and area—Dan Hughes, Mayor Danny Kelly, Florence MacSwain and Anne Morrison. Senator MacAdam delivered a heartfelt citation for Florence MacSwain, a great local volunteer who was awarded the medal posthumously.

The award ceremony was a wonderful celebration of the spirit of volunteerism and achievement. A total of 29 medals were awarded that evening, and each citation told

a story of the medal recipients' hard work and dedication to people of Canada, evoking gratitude and pride in our country and region. Congratulations to all the medal recipients! Let's continue to work together as a community to build on our success, much has been achieved in our region and there is much more yet to accomplish.
