NORTH SHORE FUNERAL HOME

North Shore Funeral Home has been serving the families and communities of Kings County and Northeastern Queens County for over thirty-five years! Staying true to its motto - *Neighbours Helping Neighbours in Their Time of Need*, the funeral co-operative works closely with families so that they can honour their loved ones in ways they choose.

The funeral home was formed in 1989 to offer community-based professional and caring support to families in need. The co-operative founders' vision of building strong relationships with members, and providing tailored services and empathetic support during a difficult time, continues to be honoured today.

Fully licensed North Shore Funeral Home and its Directors offer a full range of services, including traditional visitation and funerals, celebrations of life, graveside services, cremation, and pre-arranged and pre-paid services. The co-operative carries a full selection of caskets and urns, and can arrange for live-streaming or recording of funeral services.

In the last few years, the services have been enhanced through renovating the funeral home and

expanding the seating for over 100 people, adding central air-conditioning and a parking lot, as well as making space more welcoming.

As a co-operative, the North Shore Funeral Home is focused on community ownership, and personalized and compassionate service, while fostering community support and investment. North Shore Funeral Home currently has some seventy pre-paid accounts, all of which are invested in trust at Morell Credit Union, Funeral Plans Canada or Forester's.

Pre-arranging one's own funeral is a gift to our families and a way to ensure our wishes are accurately recorded. For those who choose to pre-pay, the costs are "frozen" at today's prices.
