
MORELL MATTERS

MORELL–ST. PETER’S LEGION BRANCH 26

The Morell–St. Peter’s Legion Branch 26 held its Annual General Meeting on Sunday, March 29. President Garry Doyle reported on the success of the recent Remembrance Day Poppy Campaign. The branch also announced a \$500 donation to the Queen Elizabeth Hospital Foundation.

The Morell–St. Peter’s Legion established a committee to gauge community interest in, and to organize, the annual Remembrance Day Dinner, continuing a long-standing tradition. In addition, on November 10, 2026, the Remembrance Day program may be enhanced with a special Legion Choir performance at the Morell Regional High School.

A motion was approved to keep the executive the same as last year: Garry Doyle, President; Danny Kelly, Vice President; Lyla Barry, Secretary; and George Deviat, Treasurer.

This year marks the 100th anniversary of the Royal Canadian Legion—a century of service, community impact, and Remembrance. In 2026, Canadians who are not already members are invited to join as Centenary Members at no cost. To join the Legion and learn more about the benefits of membership, contact Garry Doyle at 902.316.6001 or visit <https://legion.ca/join-us>.

Throughout the year, there will be many opportunities to participate in centenary events, honour the Legion’s legacy, and help shape its future. To learn more, please visit <https://legion.ca/who-we-are/centenary>.

Happy
Easter

Wishing you and your loved ones a blessed and happy Easter! Whether you are gathering with family or enjoying a quiet moment, we hope this Easter brings you comfort, joy, and peace.

COUNCIL UPDATE

The Rural Municipality of Morell is pleased to announce the construction of a new amenities building at Walter Bradley Field. The building will include washrooms, a canteen, and a storage area, to enhance the overall experience for residents and visitors alike. These upgrades reflect Council’s ongoing commitment to enhancing municipal recreational infrastructure.

Council is also pleased to announce the addition of a new truck as part of its continued efforts to modernize the municipal fleet. The previous truck served the community reliably for many years and, while it was time for a replacement, it retained strong trade-in value—thanks in no small part to the excellent care and maintenance provided by municipal staff.
